⚡ Power supply 💧 Water supply □ Column position

Studio 6

Studio 6 used to be part of the Bottling Hall, which had 5 bottling lines each over 100 yards long. It is now a really practical studio space, set up for multi-camera use and has an optional production gallery, and individual lighting and sound control rooms

Floor Area: 9,450 sq.ft / 886 sq.mt (approx)
Height: 27ft / 8.5m (approx)
Power: x1 400 amp 3 phase
